Cocktails AND Canapés for A Cause

Join us at our pairing party for preservation. Guests can meander from station to station partaking in different pairings of hors d'oeuvres and desserts with wine, beer, and spirits. Peruse the many items on the silent auction tables and be prepared to be the highest bidder when they close. A live auction will surely liven up the crowd as usual, all helping to support a great cause. Smart casual attire.

**Tickets \$85 each, on sale at:
